Parenting Tip of the Month - When faith is important to parents they sometimes worry that their children may drift away from the faith, as they get older. But there is important research that tells us there are ways to help our children to stay connected: 1. Demonstrate a strong faith yourself; 2. Live out the Gospel values in all you do; 3. Read the Bible as a family (and adding discussions about what you read helps too!). It may seem too simplistic, but it can and does work. The reward for your children will be the confidence they feel in knowing that they have a God who is always with them, guiding all they do.

Marriage Tip of the Month - In October we celebrate Thanksgiving, a time to reflect on and be grateful for the bountiful harvest that provides us food for our journey and for the many other blessings in our lives. It is a perfect time to sit down as a couple and reflect on the "harvest" of your own marriage. What has fed you and helped you grow? What relationships have enriched your lives together? How have you grown as a couple? Are there things you need to do so that next year the "harvest" will be even more plentiful? When we are thankful for something we treat it with love and care and so it flourishes – try it and see! From: Family Ministry Office, 905-528-7988 ext. 2250.

DID YOU KNOW...? Children in our Parishes benefit from the Catechetical Correspondence Program each year for ongoing religious education and preparation for the Sacraments. We need volunteers to support the program! If you are willing to accompany these children in their learning journey, please reach out to the Office for Evangelization and Catechesis at catechesis@hamiltondiocese.com. To learn more about the Catechetical Correspondence Program, please visit: <https://bit.ly/DOHCCC>

The Bishop Farrell Library & Archives is excited to announce that in-person programming with The Saint John's Bible is back! If you are interested in having The Saint John's Bible visit your parish or school, visit our website for programming information and booking details. Virtual and hybrid programming available, too! <https://hamiltondiocese.com/stjohnsbible/>.

MARRIAGE SUPPORT - Your marriage does not have to feel like it is more trouble than joy, that it feels stagnant or disconnected and/or that it is causing you constant stress. The solution is Retrouvaille - a program for married couples facing difficult challenges in their relationship. Retrouvaille has one purpose: to help couples restore their marriage and rebuild a loving relationship. This is a practical program, where sharing is not required except between the couple themselves, designed to improve communication, build stronger marriages, and help couples reconnect. It also works well for couples who may be considering separation or divorce. The next Retrouvaille weekend is Oct. 21-23. For more information call 905-664-5212 or email teamrecine@gmail.com.

Sam got a dollar too much in his pay envelope. He remained quiet. The next week the paymaster discovered the error and deducted a dollar from Sam's pay. Sam protested loudly.

"Well," said the paymaster, "you didn't complain last week when you were a dollar over." "No," said Sam, "because a guy can overlook one mistake. But when it happens twice it's time to complain."
