Parenting Tip for the Month - As spring begins we see new life erupting everywhere. This is a great chance to point out the beauty of God’s creation to your children, as buds form, trees bloom and flowers grow. Remind them of God’s creative power and how he created all this for us, but also gave us the task of caring for His creation. We must nurture and protect God’s created world. It is also a chance to remind them that life too has cycles and we can begin anew – the Sacrament of Reconciliation allows us to seek forgiveness and start anew, just as nature does each spring! Family Ministry Office; 905-528-7988 ext. 2250.

Marriage Tip for the Month - Easter provides us with a clear picture of how much God loves us, since he sent his son to die on the Cross so we could have eternal life. Easter highlights the importance of forgiveness and our call as Catholics to forgive both ourselves and others. Marriage is an essential place to put this call to forgive into action. Forgiveness means we let go of issues, after discussing and working them out, and then move forward in love. It means showing mercy when mistakes are made and remembering that forgiving allows us to put love first. So, remember to forgive in your marriages so you can both find a place of peace. Family Ministry Office, 905-528-7988 ext. 2250.
