**Diocesan Vocations Month - October 2025**

October is Diocesan Vocations Month. Please pray for the men and women of our diocese who are discerning their vocations to marriage, priesthood, the permanent diaconate, the dedicated single life, and consecrated life, that is, as a Consecrated virgin living in the world, or as a religious priest, sister or sister, Since it is also the month of Our Lady of the rosary, you are encouraged to offer the Rosary, in particular, the Luminous Mysteries, for vocations. For more information about praying for vocations, visit: <https://hamiltondiocese.com/pray-for-vocations/>. Blessed Virgin Mary, Our Lady of the Rosary and Mother of Vocations, pray for us!

A message from the **Legion of Mary...**

At the passing of your loved one, if you are having a time of visitation at the funeral home and you and your loved one have a devotion to our Blessed Mother, the Legion of Mary would be open to leading the rosary.

**Parenting Tip for October** -- As the leaves change and the weather turns colder (and often wetter!), we tend to spend more time indoors. This is a perfect season for quality family time. Instead of everyone being on social media and playing online games, try an old-fashioned board game, working together to put a puzzle together, having a family book club, or watching a movie on TV together and pausing now and then to discuss what is going on and/or what might happen next. Interaction is the key and when we do so we build bonds and relationships. Children talk to us and tell us things when they are ready, so the more time we spend together, the greater the chance we will hear about their concerns, joys, struggles and questions about the world. And don't forget, praying together each day and attending Mass as a family is another perfect way to bond.

**Marriage Tip for October** -- October is the month in which we celebrate Thanksgiving and a perfect time to stop and think with gratitude about our relationship with our spouse. An attitude of gratitude has the proven benefit of having our brain find the good in any situation, so what better way to see the positives your spouse brings into your life than having an attitude of gratitude for them. It is easy to focus on the challenging moments but stop and contemplate what is good. Tell your spouse in person, or in a handwritten note. Think of all the moments you share, your children, your shared home, your faith – when you pause to focus on the good, there will be so much to be thankful for, and you will feel greater love for the one you love!
